

Rayee

Description

Original Appearance Design

With integrated bending shape without any joint or weld and fully aluminum combined with CNC edge technology process, Rayee is approaching concise beauty of appearance;

Professional Eye-Protection

LUMILEDS LEDs combined with step-less linear dimming technology and ultra large side-emitting surface light mount eliminate the glaring light so as to protect eyesight effectively;

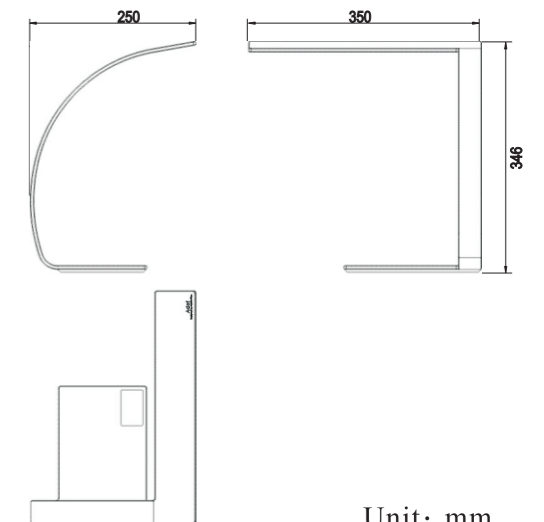

Patented Touch Screen Control

Pre-saved lighting modes can be freely switched, and the color temperature and the brightness can be adjusted as demanded.
